

# Friends of Shibley Nature Center Cool Summer Nights

Enjoy these FREE COOL SUMMER NIGHTS Programs

Gates open from 5:00 to 8:00 pm

\*\*Extended hours

**DONATIONS HELP KEEP SHIPLEY OPEN!**

## **July 20, Thursday 6-7pm THE RAPTORS OF ORANGE COUNTY**

Peggy Chase will introduce us to the “ambassadors” of Orange County Birds of Prey Center. OCBPC is a volunteer organization dedicated to treating and rehabilitating injured birds and returning them to the wild. This is always a fun and lively presentation while we learn about the importance of raptors to our environment! [ocbpc.org](http://ocbpc.org)

## **July 27, Thursday 6-7pm SOUTHERN CALIFORNIA INDIAN CENTER**

Susie Yellowhorse Jensen, of the Navajo tribe, will offer us a fascinating presentation about the history and traditions of the American Indians in our area and how they utilized available resources for their daily life. In addition, we will be treated to a native dance demonstration! SCIC is a non-profit organization whose mission is “to educate and broaden the public on Indian issues, culture and its unique positive contributions to American Society”.

*Feel free to bring canned food items for our food drive on behalf of SCIC. [indiancenter.org](http://indiancenter.org)*

## **August 3, Thursday 6-7pm SNAKES, LIZARDS, SPIDERS!**

George, “The Reptile Guy”, is back to show and explain to us the value and beauty of these often maligned and misunderstood critters. You will be able to get up close and personal to them, and learn how to identify each of their unique characteristics.

## **August 10, Thursday 6-8pm DULCIMERS & OTHER FOLK INSTRUMENTS JAM**

Come and enjoy traditional folk music and sing-alongs in our restful setting as Southern California Dulcimer Heritage community musicians “jam” in the amphitheater. Acoustic musicians and listeners welcome! Check out hammered and fretted dulcimers at: [scdh.org](http://scdh.org)

## **At 8:30-10:00pm\*\* EXPLORE THE SKIES ABOVE SHIPLEY**

The knowledgeable members of OCA will bring their huge telescopes and show us the planets and star systems light years away! Our evening hours are extended for this presentation, and you won't want to miss it! We will not have ambient light, so consider bringing a flashlight!
