

In Honor of Rachel Carson Naturalist

Fairy Door Hunt

There are 4 different Fairy Doors
to locate

And 4 Senses to challenge:

Hearing

Seeing (Observing)

Smelling

Touch

Note!

*The fifth sense of tasting should not
be used in Shibley as some leaves and
berries have dangerous toxins in them*

Birdsong's Door Is located by
the babbling brook

Cotton lives in Shibley's
Redwood Forest

LISTEN

TOUCH

Close your eyes and listen

Touch something near Cotton's
door

What sounds do you hear ?

perhaps a leaf or tree bark

or maybe a rock.

How would you describe

What is it's texture (what does it
feel like)?

and spell these sounds?

How would you describe it to
someone who has never been to
your part of the world?

Flower's door is
located in Sage
Hill

Find Flower's

home.

SMELL

Can you detect any scents?

What do they remind you of?

See / Observe

Be still and quiet.

Look around. What do you see?

Make a drawing of what you see.
